

Let's hear your story

Music submission to Spotify, Deezer, YouTube, Google Play Music and Apple Music playlists

Submission alternatives

- 1. Submit your track, album or artist and receive a feedback**

www.humanhuman.com/users/nodmusik

You can ask for a feedback on different aspects of your tracks. Besides, If there are any tracks from your artist catalogue that fit the vibe of playlists, they will be added. You pay a small fee for this and will receive a refund in case I couldn't make to review and comment on your submission in less than 10 days.

- 2. Submit your track**

www.nodmusik.com/submission/

Fill in the music submission form and your track will be checked. If it's a beautiful fit for playlists and more information is needed, will get in touch with you.

Please have these in mind
